

NEVT02

CONSTRUCTION:

- Glass tube with high light transmittance
- PC light guide plate inside
- Constant current driver inside with smart IC
- Contact pins made of high-quality bronze to ensure a good electrical connection
- Double packed for protection against vibration and impact in transit

APPLICATIONS:

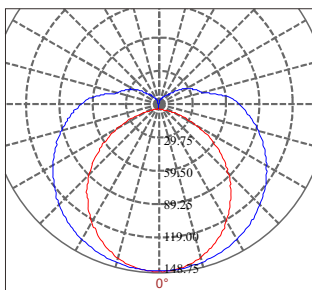

- Not suitable for use in sealed fittings

TECHNICAL DETAILS:

Model	Watts	Color Temp	Lumens	CRI	Input
NEVT02	9W	2700K/3000K/4000K/6500K	800lm	>70	220-240V
NEVT02	18W	2700K/3000K/4000K/6500K	1600lm	>70	220-240V

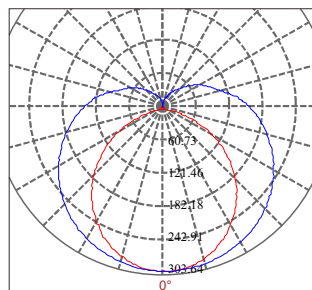

Photometric Data

NEVT02 9W 180°
